

LYSA HANNES

PROFILE

Thank you for looking at my resume, I really appreciate it! Here is a little bit about myself. I am looking to expand my horizons and learn as much as I can. I enjoy coding and am looking into one day building up and owning my own business. But before I get there, I want to learn as much as I can and experience every possible learning opportunity. Also, as a side note, my website below contains some of my relevant projects. I hope you enjoy my resume and that it convinces you to hire me!
